"TAKE TIME TO SMELL THE ROSES AT ROSEWOOD GARDENS"

Rosewood Gardens, located at 2309 Route 67 in West Charlton (NY), is a stunning replica of dreamy English gardens seen in magazines. Joanne Strevy, owner and master grower and designer, has a gift for creating gorgeous English gardens and sharing her passion with others. She started this unique nursery at her beautiful home in 2009 and it has blossomed. Her plant inventory is lush and well-priced. She specializes in sunny-loving perennials that work well in cottage gardens. Her other specialty is David Austin English roses. She carries dozens of these beauties as well as an easy-to-follow instruction manual on how to care for them. After Joanne began growing these roses three years ago, she loved them so much that she installed a magnificent garden dedicated totally to these knockout roses. Joanne, a Master Gardener, helps other gardeners grow these roses in their own gardens so that they will be able to share the tremendous enjoyment that tending an English rose garden brings to her. Her enthusiasm is infectious! The nursery hours are Thursday – Saturday, 9:00 a.m. to 6:00 p.m. To
