Rosewood Gardens. You don't have to travel to England to experience heavenly rose gardens. Joanne Strevy has created a mini paradise in West Charlton, NY. Joanne opened Rosewood Gardens last month, a delightful field grown and container nursery. She specializes in roses and cottage perennials. The perennials she sells are robust and healthy. And the roses. Oh My. She is the only registered carrier of David Austin roses in this region. These roses are breathtaking and easy to grow. Rosewood Gardens is located at 2309 State Highway 67 (Route 67), just east of Route 147 and about 15 minutes from Ballston Spa. The nursery is open Thursday through Saturday from 9:00 a.m. – 6:00 p.m. (518) 275-1800. Rosewood Gardens is a 'cottage garden dream' come true. Drive on out and experience the dream. <http://www.visitrosewoodgardens.com>
